

Battle Controls

LT

Call Horse/Mount Horse

Summon your horse to your side. Hold down **LT** to mount the horse while moving.

LB

Block/Strafe

Center the camera behind your character and block enemy attacks from the front. Hold down **LB** and use the left stick to move while continuing to face forward.

Flip

Press **LB** to regain your balance after being knocked into the air by an enemy.

RT

Switch Map

Switch between the full map and enlarged map.

RB

Special Skill

Perform a Special Skill.

Y

Hyper Attack

Perform a rapid attack. Then press **X**/**Y** to follow up with various types of attacks.

X

Normal Attack

Perform a basic attack. Then press **Y** to follow up with a Power Attack. You can also attack while jumping.

B

Musou Attack

Perform a powerful finishing move. This attack can be performed when at least one unit of the Musou Gauge is full.

A

Spirit Charge

Press **A** when your attack connects (or is blocked) to immediately follow up with another attack against the enemy. You can also break through the enemy's blocks. This attack can be performed when at least one unit of the Spirit Gauge is full.

Jump

Press **A** to jump. Press it again while jumping to make characters such as Hanzō Hattori, Kunoichi, Kotarō Fūma, and Nene jump even higher.

Mount/Dismount Horse

Press **A** while the horse marker is displayed to mount the horse. You can also press **A** to dismount a horse you are riding.

Flip

Press **A** to regain your balance after being knocked into the air by an enemy.
